

WESTLAKE SCHOOL PARENT ORGANIZATION MEMBERSHIP FORM

Who can join the Westlake School Parent Organization?

All parents and/or legal guardians of students who currently attend Westlake School, and all faculty and staff of Westlake School and any Annex locations, are eligible to join.

Does it cost anything to join?

Dues are \$10 per year. Checks can be made out to UCESF

Why should I pay dues?

Dues-paying members are considered Voting Members. Paying dues makes you eligible to vote for officers and on any other issues that the group votes on, and to hold elective office. Paying dues also helps provide funds for administrative costs, allowing us to use more of our fundraising moneys for projects to benefit our children and families.

What if paying dues is a financial hardship for me?

Please see one of the Executive Committee members. Nobody will be denied the right to participate in the organization because of financial hardship.

Can I come to meetings and PTO activities even if I'm not a dues-paying member?

Yes, but you won't be eligible to vote on any issues that come before the membership. We hope you'll come to as many activities and meetings as possible even if you choose not to pay dues.
