UCESC Mentoring Plan No Fault Exit Form

Union County Educational Services Commission recognizes the importance of the trusting and supportive relationships that develop between mentor and novice teachers. Administrators make every effort to assign mentors based upon perceived compatibility with novice teachers. However, it is readily acknowledged that a variety of circumstances and/or factors can impact negatively upon the productivity of the mentoring relationship.

It has been determined that the mentoring relationship between _____ (Mentor) and _____ (Novice Teacher) should be dissolved as of _____ (Date). There is no implied blame or fault attached to either party in the conclusion of the relationship.
